required

January 12, 2018

Dear Parent/Guardian:

On March 1, 2018 your child will have the opportunity to participate in the DISCOVER TRADES AND TECHNOLOGY EVENT hosted at the University of the Fraser Valley's (UFV) Trades and Technology Campus in Chilliwack. This event will provide students with the opportunity to discover and explore careers in skilled trades and technology areas.

Proudly hosted by the Abbotsford School District, UFV, Skills Canada BC, and in partnership with the ITA (Youth Discover the Trades Program), this hands-on exploration event will be held in conjunction with the Canada Skills Upper Fraser Valley Regional competition.

Educators and industry representatives will guide students through a variety of activities while answering questions and sharing their experiences about skilled trades and technology careers. These activities will provide students the opportunity to try a variety of interactive, stimulating, and fun activities in a safe and engaging environment.

The educational goals of the Discover Trades and Technology event are:

- to provide hands on, safe and challenging skilled and technology activities
- to introduce youth to a wide variety of skilled trades and technology careers
- to allow youth to explore and ask questions about future career options
- to help students identify how their personal attributes (including interests, skills and aptitudes) can relate to careers in Technology and Trades.

For more information regarding Skills Canada competitions, please visit: skillscanada.bc.ca

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Pearson', is written over a large, light-colored oval shape.

Michael Pearson
